Chambre: 5 Salle de bain: 6

Spectacular villa a few steps from the best beach in Marbella

Luxurious African style villa with thatched roof, large windows and doors. From the imposing entrance there is access to a large hall that leads to the entire distribution of the property. Spacious living room with fireplace, a second living room with terrace and a large dining room for great dinners. Spacious living rooms with wooden floors are perfectly combined with bathrooms finished in high quality marble.

The property has its own tennis court. In the basement there is a parking of more than 200 square meters next to a storage room of more than 100.

It also consists of a separate apartment with its own bathroom.
